Title: Obtaining normal disomic stem cells from chromosomally abnormal embryos

Reply to Notice of Non-Complaint Amendment

Mailed: 10/12/2007 Confirmation No: 8781

Dear Ms Tina J. Barden,

In response to your Notice of Non-Compliant Amendment (mailed 10/12/2007 for application 10/625,100 and per our conversation of Oct 23, 2007 and your suggestion, I have added the sentence "Claims 1 to 4 (Cancelled)" and then continue with Claims 5 through 8 for the clean copy. The mark up on page 4 had stated that claims 1 to 4 were cancelled and replaced with claim 5 to 8. But this is now repeated in the "clean copy" are required.

Respectfully re-submitted,

Santiago Munne, Pro Se Inventor
